INT. HELL -- DAY

SATAN'S DAUGHTER (about 9 years old) approaches SATAN, who sits on his throne. She looks up at him with innocent eyes. Satan squints at her, suspicious.

Daughter points up, asking, "what's there in space?" Satan thrusts himself up from his throne YELLING at her and thrusting his finger down.

Daughter slouches, sad, she starts to point up again, but stops when she sees her dad glaring at her, inches from her face.

Satan watches his daughter trudge away.

INT. HELL -- NIGHT

Satan drags a dead, winged-ANGEL, down a hallway. Stops and peers into his daughter's bedroom. He smiles seeing her sound asleep and keeps walking on.

Daughter opens her eyes slowly, looks around. Darts over to her doorway and slowly peers out of it, watching Satan drag the Angel down the hallway. She smiles and rushes back to bed.

CUT TO:

Satan throws Angel into fiery room. He walks back to his throne, peering into his daughter's room on the way back, to see her still sound asleep.

Satan sits poised on his throne, grimacing and grasping his trident.

Daughter tip-toes out of her room and quickly down the hallway.

Satan on his throne. Something feels off to him, he rubs his chin thinking.

EXT. PARK -- DAY

Daughter, wearing the Angel's wings, flies out of a hole-in-the-ground.

She looks around, smiling. Looks up to the sky. Flies upwards.

INT. HELL -- DAY

Satan sits on his throne. He yells for his daughter. No response. He continues yelling for her, becoming angrier and angrier.

EXT. SPACE

Daughter flies to the moon.

EXT. MOON

EXT. MOON

Sees musical notes floating in the distance around a GROUP OF PEOPLE.

Daughter approaches People, they are YOGOMAN BURNING BAND, and playing "What's There In Space"

Yogoman spots daughter, and eagerly waves her over. Stunned she asks, "me?" She looks around to see no one else and approaches.

Yogoman smiles at daughter and does his SIGNATURE SPACE DANCE.

Daughter smiles and claps, liking the dance.

Yogoman teaches daughter how to do the dance. She enjoys it as she begins to nail the dance.

INT. HELL -- DAY

A sad Satan slowly searches for his daughter.

EXT. MOON

Daughter feels something isn't right, looks back to Earth.

She tells Yogoman she has to go. Before she leaves, Yogoman tells her to wait.

Yogoman takes a jar and bottles one of the musical notes floating around them. He smiles and hands it to daughter.

Daughter thanks him, and waves good-bye to Yogoman and the band.

INT. HELL -- DAY

Daughter, without wings, nonchalantly approaches Satan, saying hi.

Satan turns to see her. Furiously demands to know where she's been.

Daughter cowers, scared.

Daughter realizes she holds JAR WITH MUSIC NOTE IN IT. She opens it. The music note flutters in the air.

Satan peers at it and daughter confused. Starts to move back-and-forth to the music.

Daughter smiles and eagerly shows him the SIGNATURE SPACE DANCE. Satan does the dance poorly.

Daughter moves Satan's body around, teaching how to do the dance.

EXT. MOON

Yogoman smiles, looking off to the distance.
